RENOVATION OPPORTUNITY: Apartment in the heart of San Pedro de Alcántara

Ideally located on Avenida Marqués del Duero, San Pedro's main pedestrian and shopping street, this apartment enjoys a highly convenient living environment: restaurants, shops, supermarkets, banks, pharmacy, clinic, public transport... all within walking distance. And the beach and its promenade are just a few minutes' walk away.

Situated in a small building with an elevator, this property represents a complete renovation project, ideal for an investor or a buyer wishing to design a custom interior (freely choosing the layout, materials, and finishes).
