Casa Medusa is a luxury villa set on a double plot in Sierra Blanca. The home offers open sea views and mountain views from an elevated position. It is designed by Antonio Bermudez and built across three levels. The property includes a main house, a guest house, landscaped gardens, and a large heated pool.

The interior blends classic architecture with handcrafted details. The home features domes, columns, murals, and marble floors throughout. Living spaces are generous and well defined. The kitchen is fully equipped with Gaggenau appliances. There is a private study, a gym with sauna, and a wine cellar.
