We present this brand-new property located in the emblematic La Victoria neighborhood, right in the city centre. It is a two-bedroom, two-bathroom duplex penthouse featuring a living room with an open-plan fitted and fully equipped kitchen, as well as a wonderful private solarium terrace.

High-quality finishes include Tech Step flooring, smooth walls, a full bathroom with shower tray and glass screen, air conditioning and heating, white wooden interior doors, reinforced entrance door, aluminium exterior carpentry with double glazing, and an atherothermal system for domestic hot water production.

Climate control is provided by a hot/cold heat pump system, with wall-mounted split units or fan coils
